Asante Capital Group

Privacy Notice

1. Introduction

Asante Capital Group ("**Asante**" or "**we**") is committed to protecting the security and privacy of data subjects' ("**you**" or "**your**") personal data when processing the same. Asante endeavours to ensure that any personal data we collect about you will, where relevant, be held and processed in accordance with either the European General Data Protection Regulation ("**GDPR**"), the retained UK version of GDPR as supplemented by the Data Protection Act 2018 and where relevant the Privacy and Electronic Communications (EC Directive) Regulations 2003 (SI 2003/2426) (together "**UK Data Protection Legislation**") or the Personal Data (Privacy) Ordinance (Cap. 486; the "**PDO**") depending on your location and the location of the Asante counterparty that you deal with, (GDPR, the UK Data Protection Legislation and the PDO together the "**Data Protection Legislation**").

2. GDPR, UK Data Protection Legislation or PDO?

- 2.1. Asante is a multi-jurisdictional business with operational footprints both within and outside the EEA. GDPR is directly applicable to Asante Capital Group Germany GmbH ("**Asante Germany**") and following Brexit was largely retained (and supplemented) in the UK so largely equivalent provisions remain applicable to Asante Capital Group LLP ("**Asante UK**"; see further below) under the UK Data Protection Legislation. The PDO is directly applicable to Asante Capital Group HK Limited ("**Asante HK**"). While Asante Capital Group Advisors, LLC ("**Asante US**") is not directly covered by the provisions of either GDPR, the UK Data Protection Legislation or the PDO it has elected to comply with the relevant provisions of the Data Protection Legislation where necessary, principally when dealing with personal data of UK and EU based data subjects.
- 2.2. To the extent that you are a UK or EU data subject dealing directly with Asante HK, your interaction will *prima facie* be governed by the provisions of the PDO, but we will also apply the relevant provisions of GDPR or the UK Data Protection Legislation in connection with any processing activities undertaken where necessary to ensure that your fundamental rights and freedoms are not prejudiced. The same approach will be adopted in connection with Asante US.
- 2.3. In taking this approach, the Asante Capital Group does not guarantee that the legislative protections contained in GDPR or the UK Data Protection Legislation will always be applicable to our handling of your personal data and our processing activities may instead be governed either by the PDO or simply through our optional Group compliance with other elements of the Data Protection Legislation.

3. Scope

This Privacy Notice demonstrates how we handle the personal data you provide to us, or which we collect about you, in the following ways (your "**Data**"):

7.4. Your Data has been collected by us on a voluntary basis. If you do not wish for us to process your Data, please contact us using the details set out above. If we are unable to process your Data, we will not be able to involve you in any of our service activities as set out in paragraph 7.1 above.

8. Data security

10. International Transfers

International transfers from Asante UK and Asante Germany

- 10.1. In certain circumstances, we may transfer your Data to countries that do not adhere to the same levels of data protection as are specified in the UK Data Protection Legislation and GDPR. Any such transfers are, at all times, made in accordance with the UK Data Protection Legislation and GDPR.
- 10.2. In order to cover intragroup transfers of your Data from Asante UK and Asante Germany to Asante US and Asante HK we have entered into international data transfer agreements and standard contractual clauses approved by the Information Commissioner and the European Commission respectively with these Asante Group counterparties. Data transfers between Asante UK and Asante Germany are covered under reciprocal adequacy decisions issued in the UK and by the European Commission. The international data transfer agreements and standard contractual clauses impose strict controls and restrictions on how Asante US and Asante HK can process your Data, who they can in turn share your data with and what security they need to have in place in order to protect your Data.
- 10.3. Please note that as members of the wider Asante Group both Asante US and Asante HK use the same IT infrastructure and security protocols as Asante UK and Asante Germany (and Asante HK is separately subject to the provisions of the PDO) and as such the standard of protection offered in connection with your Data will be identical whether it is processed by Asante UK, Asante Germany, Asante US or Asante HK.
- 10.4. For the avoidance of doubt, the international data transfer agreements and standard contractual clauses will be applicable in circumstances where either Asante UK or Asante Germany is the data controller and either or both of Asante US or Asante HK are also acting as data controllers.
- 10.5. Non-group transfers will also be dealt with using either international data transfer agreements, standard contractual clauses or binding corporate rules or by using other mechanisms approved under the Data Protection Legislation.

Transfers out of Hong Kong under the PDO

- 10.6. In certain circumstances, Asante HK will transfer your Data to countries outside of Hong Kong, which may not adhere to the same levels of data protection to which Hong Kong is subject. Any such transfers are, at all times, made in accordance with the PDO and our internal procedures on data protection.

- 10.7. Our internal procedures mandate that any data recipients must process data with at least the same level of care and diligence that we would have to apply under Hong Kong law.
- 10.8. For intragroup transfers, please refer to paragraph 10.3 above.

11. Retention Period

- 11.1. We will only retain your Data for as long as necessary to fulfil the purposes we collected it for, including for the purposes of satisfying any legal, accounting, tax, regulatory or reporting requirements. To determine the appropriate retention period for your Data, we consider the amount, nature, and sensitivity of your Data, the potential risk of harm from unauthorised use or disclosure of your Data, the purposes for which we process your Data and whether we can achieve those purposes through other means, and the applicable legal requirements
- 11.2. As a general rule this means that, subject to applicable regulatory requirements, your Data will be stored for a maximum period of 6 years from the date on which our relationship with you ends, after which time it will be put 'beyond use' if it is no longer required for the lawful purpose(s) for which it was obtained.

12. Your rights in relation to your Data

- 12.1. Under the Data Protection Legislation, you have the following rights in relation to how we process your Data:

You also have the right to object to direct marketing which uses your Data. This can be done by emailing info@asantecapital.com at any time; and
 - (f) **right to lodge a complaint:** under the Data Protection Legislation you may lodge a complaint with a relevant supervisory authority. The supervisory authority for the United Kingdom is the Information Commissioner's Office. Under the PDO you may lodge a complaint with the data protection authority in Hong Kong. The supervisory authority for Hong Kong is the Privacy Commissioner for Personal Data ("PCPD").

- 12.2. - 12.3. Please note that, in circumstances where you are seeking to exercise your rights as a data subject, we may need to request specific information from you to help us confirm your identity and ensure your right to access the information (or to exercise any of your other rights). This is another appropriate security measure to ensure that your Data is not disclosed to any person who does not have a right to receive it.

13. Additional Information

- 13.1. We do not undertake automated decision-making or profiling of your Data.
- 13.2. We keep our data protection policy (including this Privacy Notice) under constant review and may change it from time to time to reflect our practices or to remain compliant with relevant legislation.
